

The  
LOG & TIMBER  
HOME SHOW  
Orlando

Dear Exhibitor,

We are pleased to be hosting The Log & Timber Home Show in Orlando, Florida! As you prepare to exhibit at the show, please carefully review the information provided here to help you make your participation as smooth and successful as possible. Please be sure to note the following important items:

- **MOVE-IN PROCEDURES** - Exhibitors with structures, oversized vehicles or trailers are strongly encouraged to move-in as early as possible. Move-in begins at 10am on Wednesday for structures, and booths 20'x20' or larger. On Thursday, move-in for remaining exhibitors will begin at 8am. While we cannot guarantee that you will be able to drive up to your booth space, we will do the best we can to facilitate the move-in process. Please keep in mind that all vehicles need to be removed from the show floor by 3pm on Thursday so carpet can be laid. Move-out guidelines will be handed out prior to show closing on Sunday.
- **EXHIBITOR PARKING** - The cost for passenger vehicle parking is \$11-\$15 per car, per entry, however exhibitors are permitted unlimited in & out privileges on a daily basis with appropriate show credentials (i.e. exhibitor badge). Parking fees are subject to change at the discretion of the facility. A map of the facility and parking areas is included with this kit. Please call the facility or show management in advance, or speak to a team member onsite to obtain more information regarding which lot(s) will be available for truck and trailer parking.

We are committed to doing everything possible to ensure that you have a successful show and hope the information contained within the Exhibitor Service Kit provides you with all of the information you will need. If there is anything else we can do to be of assistance to you, please do not hesitate to contact us.

Thank you for your participation and support! We look forward to seeing you in Orlando!

Cordially,

Amanda Hersey
