

# THE LOG & TIMBER HOME SEMINARS

## LOG & TIMBER HOME SEMINARS – TWO DECADES OF SOLID CONSUMER EDUCATION

Over the last two decades, The Log & Timber Home Seminars have earned a reputation as the recognized leader for consumer education. Each seminar brings together speakers offering a wealth of knowledge and years of experience to help the log or timber home dreamer become a custom homebuyer.

Seminar attendees are highly qualified buyers. An impressive 68% of seminar attendees plan on building their dream home within three years, and a majority already own land!

## SEMINAR SCHEDULE

Log & Timber Home Seminars are conveniently hosted at all Log & Timber Home Shows. This 'co-located' concept has proven to be very successful, identifying for exhibitors the most qualified buyers and providing these consumers the knowledge and tools to proceed with their dream log or timber home.
